Our Services

Corporate Security

Protecting your retail store against potential criminals 24/7 is absolutely necessary for the good of your business. We possess the skills and knowledge to provide unmatched retail security and utilise a number of security solutions, such as manned guarding and CCTV. Our security personnel have a keen eye for detail and a focussed mind, equipping them with the key factors required to effectively protect your retail facilities.

Retail Security

Protecting your retail store against potential criminals 24/7 is absolutely necessary for the good of your business. We possess the skills and knowledge to provide unmatched retail security and utilise a number of security solutions, such as manned guarding and CCTV. Our security personnel have a keen eye for detail and a focussed mind, equipping them with the key factors required to effectively protect your retail facilities.

Door Supervision

We offer door supervision, which is fulfilled by our highly qualified and accredited team. We can offer door supervision services at a number of events or locations, such as bars or parties. We can also protect a wide range of commercial and domestic properties.

Event Security

We have years of experience specialising in event security, because we have provided security at a number of events since our inception. Whether your event will be attended by hundreds of people or thousands, we have the unique experience required to offer reliable and professional security in such situations.

Security Dog Handlers

We have canine teams available at all times across London and surrounding areas. Security dogs are an off-putting presence to anyone who may consider attempting to exploit your business, so they offer necessary protection that will keep your assets safe 24/7.

CCTV Monitoring

Secure Recruit have a team purely dedicated to monitoring the CCTV of our esteemed clients. While we monitor your CCTV, we also have a comprehensive regime in place that ensures any threats are dealt with the moment they are noticed.

Keyholding

We have a London-based team available 24/7 all year round providing keyholding services. We keep your keys safe at one of our highly secure locations and can rapidly travel to your building whenever you require access. As part of our keyholding service, we are able to attend your property regardless of time and day to ensure that it is entirely secure.

Reception and Concierge Services

We can man a 24/7 reception 365 days a year for your business, and we also offer professional concierge services.

Our reception and concierge services ensure that you and your buildings are defended against all threats constantly.

How Secure Recruit is Different

There are hundreds if not thousands of security businesses in the UK, but we're different. How? We offer virtually every security service that you could ever require, so we can meet your security requirements no matter how extensive they may be. We offer service with a smile and we never take our eye off the ball when it comes to offering security to our valuable customers. We appreciate how important your business and your assets are, which is why we constantly strive to improve ourselves and offer the highest level of security.

Accreditations

We have a number of accreditations that demonstrate we're exactly what we say we are: skilled, experienced and able to protect you and your assets. We have been awarded CHAS accreditations amongst others, such as SSIP, SMAS-Work Safe and are an FSB member.
